Next step for your Side Hustle Command Centre

Can't find the email? Check here in this order:

- **Primary inbox** — it should be here
- **Promotions tab** (Gmail users) — drag it to Primary so you never lose it
- **Spam or Junk folder**
- **Search your inbox** for "thesteadysystem.com"

Still nothing after 5 minutes? Email **hello@thesteadysystem.com** and I'll sort it out personally.

How the next 5 minutes will go

1. **Click the setup link in your email**

   It takes you to a private page on sidehustlecommandcentre.com where your payment is already verified.

2. **Answer 13 quick questions about your business**

   Business name, what you sell, your audience, your goals, your timeline. Takes about 3 minutes.

3. **Your command centre is built in seconds**

   The AI generates your personalized launch runway, 30-day content plan, first 10 customers roadmap, pricing guide, and more — all based on your answers.

4. **Receive your private link by email**

   Bookmark it — that's your forever-access to your command centre. No subscription, no expiration.

What's inside your command centre

Everything is personalized to your specific business:

- ✓ **Personalized Launch Runway** — a 4-phase checklist specific to your business type and experience level
- ✓ **30-Day Content Calendar** — daily prompts tailored to your platforms and audience
- ✓ **AI Business Coach** — 50 included messages, coach already knows your business context
- ✓ **First 10 Customers Plan** — specific outreach steps with exact message templates
- ✓ **Offer Builder + 3-Tier Pricing Guide** — realistic pricing for your business category
- ✓ **Money Tracker** — revenue goals, startup costs, progress tracking
- ✓ **CEO Dashboard** — everything at a glance

One-time purchase, yours forever. No subscription, no monthly fees. If you ever need more AI coach messages, they're optional $5 top-ups for 50 more. Most buyers never run out.

Need help? I'm a real person.

Reply to either email (your Gumroad receipt or your setup email) — or write to **hello@thesteadysystem.com**. That's my direct inbox. I read every message and answer within a few hours, usually much sooner.

Thanks for trusting me with your business launch. I can't wait to see what you build.
