YOUR PROMO CODE

ETSY

Enter this at Stripe checkout — it waives the normal $275 price since you already paid on Etsy.

Setup — 5 minutes from start to finish

1. **Visit sidehustlecommandcentre.com**
   Click the "Build My Command Centre" button on the homepage.

2. **Enter promo code ETSY at Stripe checkout**
   Look for the "Add promotion code" link on the checkout page. Enter **ETSY**. Your total will drop to $0.

3. **Answer 13 quick questions about your business**
   Business name, what you sell, your audience, your goals, your timeline. Takes about 3 minutes.

4. **Check your inbox for your private link**
   Your personalized command centre is emailed within seconds. The email comes from **hello@thesteadysystem.com** — if you don't see it in your Primary inbox, check Promotions and drag it to Primary.

5 **Click your private link and tap "Generate My Runway"**

Your AI coach builds your personalized plan in about 30 seconds. Bookmark the link — it's your new business HQ.

What's inside your command centre

- ✓ **Personalized Launch Runway** — 4-phase checklist specific to your business type and experience
- ✓ **30-Day Content Calendar** — daily prompts for your specific platforms and audience
- ✓ **AI Business Coach** — 50 messages with a coach that already knows your business context
- ✓ **First 10 Customers Plan** — specific outreach steps with exact message templates
- ✓ **Offer Builder + 3-Tier Pricing Guide** — realistic pricing for your business category
- ✓ **Money Tracker** — revenue, expenses, startup cost breakdown
- ✓ **CEO Dashboard** — everything at a glance

Important: Stripe will ask for a card at checkout even though your total is $0. This is standard — they authorize but don't charge. Your card is never billed.

Need help?

Reply to your welcome email or write to **hello@thesteadysystem.com** — that's my direct inbox. I answer within a few hours (usually much sooner).

Your command centre lives at a private link that's yours forever. No subscription, no expiration, no logins to manage. If you ever need more AI coach messages, they're optional $5 top-ups for 50 more.

Side Hustle Command Centre is built by Carley Bowyer at The Steady System.
